EXOTIC ANIMAL MANAGEMENT
VOLUNTEERS AND INTERNS

Applications are currently being accepted for VOLUNTEER or INTERNSHIP at Brad's WORLD REPTILES, associated with the OREGON MUSEUM of SCIENCE and INDUSTRY, (OMSI). Openings are available for full time and part time exotic animal management volunteers and interns.

REQUIREMENTS:
1. Dependable and extremely responsible
2. Strong interest in life science and animal management, primarily working with reptiles, amphibians, birds, small mammals and insects
3. Current resume with references
4. Reliable transportation

Brad's WORLD REPTILES is one of the largest reptile breeding facilities in the Pacific Northwest. We maintain large self-sustaining breeding groups of dozens of species of snakes, lizards, amphibians and arthropods. Animals at our facilities are used in educational school programs booked through our affiliation with the Oregon Museum of Science and Industry. Our concept-based programs teach topics that include rainforest ecology, biodiversity, animal adaptations, and interdependence. This is an exceptional opportunity to learn about exotic animal management, husbandry and genetics. Our entry-level position provides positive experience for advancement within the exotic animal management and educational fields. Receive college credits while you have fun with reptiles!
