We are still looking for a few good externs for 2010 and 2011.

Ledgewood Equine Veterinary Clinic is a 100% Equine practice outside of Rochester, NY. We are primarily ambulatory, with a hospital which allows us to perform more advanced diagnostic procedures, medical workups, elective surgeries and occasional emergency surgery.

**Estimated Breakdown of Daily or Weekly Load:**
80% ambulatory, 20% hospital. Most days are spent on the road assisting the veterinarians with diagnostics and therapeutics. Some patient assessment, treatment and care is performed by the extern.

**Goals of Externship:**
To give the extern a broad experience which includes a mixture of ambulatory and hospital cases. The primary focus is ambulatory and whenever possible the extern is given opportunities to assist and perform procedures.

**Prerequisites for Externship:**
3 years of veterinary education for full extern responsibilities, 1 year for limited externship responsibilities

**Application for Externship:**
Please call Helen at 315-524-4879 or email the current intern, Thais, at drmccoy.levc@gmail.com. We ask you supply a resume and the dates you are available.

**Dates and Duration:**
Externships are available throughout the year for 1-4 week durations, as availability permits.
