Position Announcement

EQUINE INTERNSHIPS

The Marion duPont Scott Equine Medical Center, one of two veterinary teaching hospitals for the Virginia-Maryland Regional College of Veterinary Medicine, is pleased to offer rotating internships in equine medicine and surgery. Internship applicants must have a DVM or equivalent veterinary medical degree. Preference may be given to individuals with special equine veterinary experience or credentials. Interns, under the direction and support of residents and faculty, will participate in medical, surgical, and anesthesia service, and after hours emergency care. Responsibilities include assisting with patient treatments, assisting in radiology, surgery, anesthesia, and critical care. Each intern will present at least one case report each semester and will participate in hospital rounds and case discussions. A designated faculty member will advise and coordinate the scheduling and evaluation of all interns. Interns will be encouraged to interact with their clinical mentors to set additional personal goals, such as case studies, case reports, and participation in ongoing research.

The salary is $25,000.00 per year.

Questions regarding the internship should be directed to Dr. Curry Keoughan, E-mail curryk@vt.edu

Review of applications will begin immediately, and continue until the positions are filled.

Applicants should submit a letter of intent, curriculum vitae, transcripts with class rank, and initiate three letters of reference to be sent to:

Carol Bugg, Program Coordinator
