Position Announcement

EQUINE NEONATOLOGY INTERNSHIP
Program Term: Six Months

The Marion duPont Scott Equine Medical Center located in Leesburg, VA, one of two veterinary teaching hospitals for the Virginia-Maryland Regional College of Veterinary Medicine, is pleased to offer a six-months internship in equine neonatology. Internship applicants must have a DVM or equivalent veterinary medical degree. Preference may be given to individuals with special equine veterinary experience or credentials.

Intern participation in the duPont Scott Neonatology Internship includes inpatient care, treatments, outpatient care, emergency duty, and intensive care for hospitalized patients. A large component of the neonatology internship will consist of inpatient nursing care of critical patients, with supervision by medicine faculty and residents. Other duties may include assisting in running clinical laboratory tests, necropsy support, preparing patients for surgery, assisting with anesthesiology or surgery, taking radiographs and providing support for scintigraphy. Satisfactory performance and progress during the initial three months is required to complete the program. Appointment dates: January 1, 2007 through June 30, 2007. The salary is $2,083.33 per month.

Review of applications will begin immediately, and continue until the position is filled.

Applicants should submit a letter of intent, curriculum vitae, and initiate three letters of reference to be sent to:

Martin O. Furr DVM PhD Dipl ACVIM
Associate Professor and Adelaide C. Riggs Chair in Equine Medicine
