Tuskegee University

Large Animal Internship

Tuskegee University
School of Veterinary Medicine
Department of Clinical Sciences

Tuskegee University School of Veterinary Medicine is offering two (2) rotating internship positions in Large Animal Medicine & Surgery. Applicants must have a DVM or equivalent degree, have passed the NAVLE and be eligible for state licensure. The primary objective of this internship is to provide extensive clinical training in ambulatory medicine and surgery. Interns, under the direction of faculty, will actively participate in ambulatory, medical and surgical services, and after-hours emergency care. Other responsibilities include presenting 2 seminars, preparing 1 case report, participating in journal club, radiology rounds, hospital rounds and case discussions. A designated faculty member will serve as intern advisor.

Program dates: June 1, 2009 through May 31, 2010

Salary: $25,000.00, plus university benefits and one paid continue education meeting.

Deadline for applications is April 30, 2009.

Applicants should submit a letters of intent, curriculum vitae, official college transcripts, and three letter of reference to:

Dr. Jeannine Bellamy, Head, Department of Clinical Sciences
