Be Your Dog's Hero

CHASE AWAY K9 CANCER
chaseawayk9cancer.org

Do a check once a month to Chase Away K9 Cancer

Take 10 Minutes on the 14th of each month to feel and look for lumps, bumps, and swellings

Check your dog from head to toe, including the inside of their mouth

Follow up with an exam by your vet if you find anything suspicious or worrisome

Keep a record of any growths so you can keep track of anything new

Watch for any unusual behavior or change in attitude or appetite
