CHASE AWAY K9 CANCER
chaseawayk9cancer.org

Do a check once a month to Chase Away K9 Cancer

 Take 10 Minutes on the 14th
of each month to feel and look for lumps,
bumps, and swellings

 Check your dog from head
to toe, including the inside of their mouth

chaseawayk9cancer.org

 Follow up with an exam
by your vet if you find anything suspicious
or worrisome

 Keep a record of any growths
so you can keep track of anything new

 Watch for any unusual behavior
or change in attitude or appetite
