Time Commitment: Students applying to this program need to commit to a 12-week program and are expected to make a presentation at the College of Veterinary Medicine Research Day, September 5, 2019. This money CANNOT be given in advance of the scheduled pay dates, which begin in July, 2019. → NOTE: By signing this document, you are granting permission for us to obtain your academic record from CVM and to share your application with faculty participating in the program, funding sponsors, and the program advisory committee. Also, your signature guarantees the program coordinators of your commitment to the 12-week (30-40 h/wk) program.
