

AWARD FOR VETERINARY RESEARCH EXCELLENCE

2011 Recipient

Established 1985

Purpose:

To foster innovative research, on which the scientific advancement of the Veterinary profession depends, by recognizing outstanding research effort and productivity.

Criteria for Nomination:

1. Nominees must be members of the faculty of the College of Veterinary Medicine or a nationally recognized teaching/research hospital.
2. Nominees should be the principal investigator in research that has attained or is likely to attain national or international recognition. This research must have been conducted within the past three years.

Procedure for Nomination and Selection:

1. Any faculty member or the Research Committee may nominate a qualified candidate. The nomination will consist of a nominating statement.
2. The Research (or other appropriate) Committee will evaluate each nominee and submit a recommendation to the Dean. Individual institutions may establish additional criteria.

Award:

1. The award will consist of an engraved plaque and a cash award of \$1,000.00.
2. The award should be presented at a college-wide function for appropriate recognition.
